

## **NEW CONTEMPORARY SCOTTISH RESTAURNT**

### **MHARSANTA ON THE TOUR SCENE**

Mharsanta, a new contemporary Scottish Restaurant located in the heart of Merchant City celebrates its 1<sup>st</sup> Birthday this May.

With this being the restaurants first time to VisitScotland Expo, we are delighted to learn about the opportunities available with Tour Companies and DMC's from around the World.

Mharsanta has been working hard to establish relationships with key businesses and attractions within the City over the past 6 months including Glasgow City Sightseeing, Tennent's Brewery, Scot Beer Tours and Glasgow Music City Tours putting together an array of dining and attraction experiences for our overseas guests. Mharsanta believes working in partnership with established brands across the City to deliver an excellent experience for our international visitors will be the key to the success of the business.

Launching later in May is the very first Scottish Trad Trail Evening that we hope will become a regular experience for visitors. It is a culmination of tales of Glasgow's folk and roots scene on a one hour guided walk around Merchant City with Glasgow Music City Tours. Walking some of Glasgow's oldest streets, expert guides share tales of the songwriters and storytellers who have shaped the city's vibrant folk music culture.

The story telling experience will then continue at Mharsanta, before guests enjoy a sumptuous 3 course dining experience of favourite dishes from Scotland using locally sourced products and concluding the night with live Scottish Trad Music.
